WHOLESALE PRICE LIST

SPRING AND FALL 1958

Field grown plants dug fresh to order.

We make no guarantee on any plants other than that they are true to name, and of size claimed, and in no case will we be responsible except for the purchase price of the plant.

Prices quoted are net, cash, for field grown plants, at the nursery.

NEW AUGUSTA NURSERY IS LOCATED ON WEST 59th STREET. Drive west on Kessler Boulevard, continuing west on 56th Street, at Broadmoor Golf Course, to Moller Road (2nd road west of Big 4 R.R.). Turn north (right) to 59th Street (1st road) and go east (right) to Nursery.

Each fall we import a limited quantity of the best Holland bulbs obtainable. These are available about October 1. Tulips, Hyacinths, Crocus, Daffodils, Eranthis, etc., in variety. Ask for special bulb list.

ROSES. Potted Hybrid Teas, polyanthas, climbers, etc., available in best varieties about May 10, 1958. Call or write for list.

ANNUALS. Ageratum, Asters, Celosia, Scarlet Sage, Snapdragon, Marigold, Sweet Alyssum, Zinnias, etc., in many varieties and colors. Available after May 15, 1958, in flats or by the dozen.

SPECIALTIES. We are steadily increasing the size, quality, and variety of our specialty line. By October 1, we have as complete a line of good finished nursery stock as is available in the city. Stock may be selected in advance at no extra cost. Quality stock, properly dug and carefully handled.

This list cancels all previous prices.

We are members of the:
INDIANAPOLIS LANDSCAPE ASSOCIATION
INDIANA ASSOCIATION OF NURSERYMEN
AMERICAN ASSOCIATION OF NURSERYMEN

We invite your inspection of our nursery. Our shrubs are planted far enough apart in rows so that they can grow into a shrub before you get them. Heavy, full topped plants, fresh dug to order. There is no comparison between these plants and the dried out dormant plants from storage. In excellent assortment for local climate and conditions. All plants bare root unless noted B&B.
